**Public Hearing on Proposed Residence of
Serial Rapist Christopher Hubbart Cancelled**

The Dec. 4 public hearing to consider comments regarding the proposed release of serial rapist Christopher Hubbart to Lake Los Angeles is cancelled.

Santa Clara County Superior Court Judge Gilbert Brown cancelled the public hearing after the owner of the Lake Los Angeles residence that was slated to house Hubbart withdrew the property from consideration.

The court will not take live testimony from any member of the public at that time. However, the public comments submitted to the Los Angeles County District Attorney's Office via email and/or written correspondence will be delivered to the court on that date.

There currently is no release location proposed for Hubbart.
